## CANDIDATE SELECTION PROCESS

1. Candidates are accepted when they are in grades 10 - 12.
  - a) Sophomores must be in the fall of their 10<sup>th</sup> grade year; they may be candidates the summer before entering 10<sup>th</sup> grade only if there are not enough upperclassmen registered to fill the weekend.
  - b) Seniors can attend through the summer after their high school graduation.
2. Applications will be received beginning the day after the completion of the previous TEC.
3. Applications are selected based on the following criteria:
  - a) Any TEC candidates who applied for the last TEC and were put on a waiting list receive first priority.
  - b) Any TEC candidates who applied for previous TECs but were not accepted or were unable to attend.
  - c) Applications are dated when received; the earlier applications receive first priority.
  - d) Candidates are limited to eight from each high school until two weeks before the weekend, at which time additional candidates from each school may be accepted if there is space available.
  - e) **The following people may receive special priority:**
    1. Those candidates who have only one more chance to attend a weekend (high school seniors, foreign exchange students, those moving out of the area, etc.)
    2. Those candidates representing a new school, church, or city.
4. Those candidates who are recommended by their Pastor or Youth Director as ones who would benefit from attending a particular TEC for valid reasons are given preference.
